In recognition of their shared interest in establishing and developing a academic, scientific and cultural cooperation between the two institutions, and within their respective powers,

HEREBY AGREE

One. Aims

The aim of this agreement is to develop joint programmes of study, exchange and cooperation in the areas of teaching, teachers and students training, organising cultural and educational tours, in the terms stated henceforth.
The agreement will be developed within the framework of cultural and educational cooperation established between the two countries and both parties undertake to promote, among the governing bodies of their own university or bodies of interuniversity coordination, the possibility of extending this agreement to other institutions in each country.

Two. Type of cooperation
Cooperation between the two institutions may be the following:

1. Students and Professors may participate in exchange programs and attend foreign courses offered by both sides.

2. Professors of University of Warsaw may deliver lectures in English at St. Grigol Peradze Tbilisi Teaching University and share their experience with their Georgian colleagues.

3. Both institutions may work on joint courses and curricula in the framework of BA and MA programs that function at Tbilisi St. Grigol Peradze Teaching University;

4. Both institutions may organize cultural exchange programs for staff and students. Tbilisi St. Grigol Peradze Teaching University can host professors from Warsaw University and offer regional and cultural studies and short stay visits.

5. St. Grigol Peradze Tbilisi Teaching University teachers may participate in mutual scientific conferences and academic publication both in Poland and in Georgia.

6. St. Grigol Peradze Tbilisi Teaching University teachers may attend professional teacher training seminars organised by the other party.

7. Other cooperation activities agreed by both parties.

Three. Areas for cooperation
Cooperation will be developed in those areas common to both institutions.

The staff offered by each institution for the aforementioned activities must be acceptable to both parties, according to strict principles of professional aptitude for the tasks involved.

The areas developed under this agreement will include miscellaneous programmes and activities, which will be specified in the corresponding protocols.

Four. Financial Conditions
a) No financial commitment is undertaken by the institutions at the time of signing of this Agreement.
b) The financial details will be separately and specifically defined for each programme or project.

**Five. Use of intellectual property**

All the information resulting from the joint activities carried out under this agreement will be at the disposal of both parties, unless otherwise specified.

**Six. Validity and duration**

This Agreement will be valid for four (4) years from the date it is signed and will be renewed automatically for the same period. The parties may, by mutual consent, request to modify or cancel the Agreement at least six (6) months before the date it is due for renewal. Should the Agreement be denounced, both parties undertake to finish those studies and projects which may be pending completion.
